

The Meadow View

Get Psyched for Summer!

The pools lay still under the ice, waiting for the first splash of summer. The fields are silent under the white snow covering, anticipating the stampede of soccer, softball and football players in June. Camp is resting-up and getting ready for our Campers to return for the amazing Summer of 2010.

While it may be snowy and silent outside at Meadowbrook, the camp office is buzzing with excitement as we plan and prepare for a spectacular summer! We're getting ready, and we hope you are too!

As always, if you have any questions as we move closer to summer, please don't hesitate to contact us at Camp. Only 124 days 'til Camp!

A BLAST FROM THE PAST!
 WHO REMEMBERS TOMÁS' PERFORMANCE FROM MEADOWBROOK IDOL 2009?

NATURE GUY RAP

(2009 Version)
 By Tomás Gonzales

At Meadowbrook there's lots to do,
 And you can choose what's fun for you,
 Nature's my choice and that's no lie,
 'Cuz everybody knows I'm the Nature Guy!

If you like sports we've got 'em all,
 And whichever you pick you'll have a ball,
 Planet Earth is big and round,
 And that's the greatest ball I've found!
 So have a ball, Give it a try,
 You can be a Nature Guy!

You can go to ropes and climb up high,
 Or go to cooking and bake a pie,
 If you're in the pool when I walk by,
 Just wave hi at the Nature Guy!

There's arts and crafts, jewelry, clay,
 Now don't get me wrong they're OK,
 It's just that I want to be outside all day,
 Out with the wild things, under the sky,
 That's because I'm a Nature Guy!

When we're out walking we look all around,
 From up in the sky to down on the ground,
 We don't make a sound... or at least we try,
 And that's what makes a Nature Guy!

Nature's exciting! Nature is real!
 We see, we hear, taste, smell, and feel...
 You're a part of nature too!

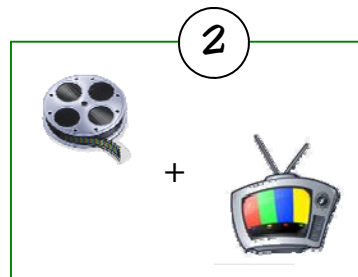

So let out the Nature Guy inside of YOU!
